

WHO WE ARE

Smith&Co Group Pty Ltd is an established Gold Coast painting and rendering company delivering for South East Queensland's leading builders, body corporates and property owners. From 40-storey towers and hotels to architectural homes and early learning centres, we bring the same measured pricing, supervised crews and uncompromising finish to every project — with One Burleigh, Eighteen Park and Palm Shores currently under way — because we're the last trade on site, and the first thing anyone sees.

WHAT WE DO

COMMERCIAL PAINTING

New-build towers, hotels, multi-residential and fit-outs, delivered to programme alongside the head contractor. BOQ tender pricing, staged handovers, QA sign-off per level.

RESIDENTIAL PAINTING

Architectural homes and quality repaints, inside and out — preparation held to the highest standard for the life of the project.

RENDERING & TEXTURE

A dedicated rendering division delivering acrylic and cement render, texture and membrane systems — coastal-spec from day one.

PROPERTY MAINTENANCE

Body-corporate repaints and planned maintenance programmes that keep buildings presentable and defect registers short.

YOUR POINT OF ACCOUNTABILITY

BRANDON CITTADINI-SMITH

FOUNDER & DIRECTOR

Brandon founded Smith&Co Group Pty Ltd on a simple conviction: the finish is the one part of a building every single person sees, so it deserves the same rigour as the structure itself. His technical expertise and dedication to quality set the standard the whole company works to — through every tender, every crew and every handover.

On Smith & Co projects the director is not a name on a letterhead. Brandon prices the major tenders, walks the sites and answers the phone — backed by a dedicated estimating, coordination and supervision team.

HOW WE RUN A JOB

01 · QUOTE & SCOPE

Measured properly, priced line by line — inclusions clear before anything starts.

02 · PLAN & SET UP

Crews booked, safety documentation lodged, inductions done before day one.

03 · DELIVER & CHECK

Supervised painters, quality checked area by area, fixed while we're still there.

04 · HANDOVER & WARRANTY

Documented handover and a 12-month warranty — one call brings us back.

ON EVERY JOB

LICENSED & INSURED

QBCC 15306215, fully insured — compliance paperwork ready on request.

SAFETY, ALWAYS

SWMS, site inductions and toolbox talks — no exceptions, no shortcuts.

A NAME, NOT A QUEUE

A named supervisor on site and a direct line to our office.

GUARANTEED FINISH

Twelve months of cover after handover — we return and make it right.
